

BMW Motorrad

BROCHURE 2020.

BMW G 310 GS.

MAKE LIFE A RIDE.

OVERVIEW.

The BMW G 310 GS promises pure riding pleasure for everyday adventures. Impressively superior, it also guarantees 100% GS feeling with 34 hp, is manoeuvrable and agile in city traffic and is also always in its element on light terrain. An exciting and adventurous machine with impressive versatility in this class. The fast-revving single-cylinder engine is extremely quiet and fits perfectly with the robust, stable suspension that excels with precise steering characteristics. The G 310 GS offers excellent ergonomics and allows for a particularly relaxed sitting position, which brings carefree motorcycle enjoyment both on the road and during excursions on forest paths and gravel tracks. Handlebars, footrests and controls have a well-balanced arrangement and are easy to reach for larger and smaller riders alike. At first glance, the machine also looks like a genuine GS. With the characteristic high front fender, the striking flyline and the short, high rear, it completely embodies the classic GS look. The compact proportions with short wheelbase, 19-inch front wheel and the long spring travel complement this style perfectly. With all those impressive features, the BMW G 310 GS is the perfect choice for the urban jungle, but it also tempts the rider to venture on to terrains less travelled.

STANDARD EQUIPMENT.

BMW G 310 GS

Model code: 0G02

Engine/drive

- Water-cooled four-stroke single cylinder engine, double overhead camshaft, oil sump lubrication
- Four valves, activated via rocker arms
- Capacity: 313 cm³
- Max. output: 34 hp (25 kW) at 9,500 rpm
- Max. torque: 28 Nm at 7,500 rpm
- BMS-E2 electronic fuel injection
- Regulated three-way catalytic converter
- Stainless steel exhaust system
- Wet multidisc clutch, mechanically operated
- 6-gear shifting claw gearbox, integrated in the engine's casing
- Secondary drive via endless Z-ring chain with cush damper at the rear wheel hub
- Compliant with Euro 4 emissions standard

Dimensions/weight

- Length: 2,075 mm
- Height excluding mirrors(width including hand lever): 1,230 mm(880 mm)
- Wheelbase: 1,420 mm
- Unloaded weight, fully fuelled/road-ready: 169.5 kg
According to guideline VO (EU) 168/2013 with all equipment, with standard equipment, and filled to at least 90% of the usable tank capacity.
- Permitted total weight: 345 kg
- Max. load (with standard equipment): 175.5 kg
- Usable tank capacity (of which reserve): 11 l (1 l)

Performance / fuel consumption

- Max. speed: 143 km/h
- Fuel consumption per 100 km according to WMTC: 3.3 l
- CO₂ emissions in accordance with WMTC: 77 g/km
- Fuel type: Standard unleaded, minimum 91 octane (ROZ)

Chassis

- BMW Motorrad ABS, switchable
- Upside-down fork (diameter: 41 mm, spring travel: 180 mm)
- Aluminium swing arm with directly hinged central spring strut at rear, adjustable suspension height, travel: 180 mm
- Single disc brake, front (diameter: 300 mm), four-piston fixed calliper, radial mounting
- Single disc brake, rear (diameter: 240 mm), single-piston floating calliper
- Five-spoked aluminium cast wheels (tires: front 110/80 R19, rear 150/70 R17)
- Side stands with ignition cut-out switch

Electrical system

- Multifunction display (digital clock, speedometer, rpm and gear displays, total and twin trip distance counters, coolant temperature indicator, fuel gauge with range indicator, average speed and fuel consumption displays, side stand alert, low battery warning lights, and more.)
- 308-W three-phase generator
- Diagnostic interface
- Smoked indicator glass and LED rear light

Equipment

- Windshield, clear
- One-piece seat (seat height: 835 mm; step length: 1,870 mm)
- Luggage grid
- Cover with upper front mudguard, in body colour
- Pillion passenger foot pegs and grab handles
- One-key system for ignition, steering, fuel filler cap and seat locks
- On-board literature and tools

ORIGINAL BMW MOTORRAD ACCESSORIES.

STORAGE.*

1 Light topcase 29 l

With a volume of 29 litres, the light topcase offers enough space for a helmet and is perfect for everyday use and on short tours.

Includes locking barrel and luggage carrier adapter plate.
The installation instructions can be downloaded from the BMW Motorrad website.

- Light topcase, 29 l
- (+) Mounted parts

Small top box, 30 l

The waterproof plastic top box offers enough space for a helmet with a volume of 30 litres. The lid, which is available in Black Storm metallic, Racing Red or Light White, and the soft-close hinges, which allow the lid to be lowered gently, underline the high-quality appeal.

More colours available on request.
The installation manual is available for download from the BMW Motorrad website.

- Small top box, 30 l
- 2 - Topcase lid outer shell in Black Storm metallic
- - Top box lid outer shell in Racing Red
- - Topcase lid outer shell in Light White
- (+) Mounted parts

3 Inner bag for light top box (29 l) and top box (30 l)

The matching tailored inner bag for the top box gets the luggage organised and facilitates loading and unloading.

- Liner for topcase

4 Bag for luggage carrier, 4.5 l

With a volume of 4.5 litres, the bag for the luggage carrier is a practical addition or alternative to the tank bag.

- Bag for luggage rack, 4.5 l

STORAGE.*

5 Tank bag, 13 – 20 l

The tank bag made of durable polyester offers many sophisticated details and can be extended from 13 to 20 litres as required. Extra space is available in the map pocket and two exterior pockets. The smart fastener design guarantees a secure hold and extremely practical handling.

- Tank bag, 13–20 l

6 Adjustable insert for tank bag

The variable insert is a handy way to organize the contents of your tank bag. The interior can be organised any way you wish.

- Adjustable insert for tankbag

Atacama luggage roll, 40 l

The extremely durable Atacama luggage roll sports many clever details and an enormous storage volume of 40 litres.

- 7 • Atacama luggage roll, 40 l
- 8 • Tension strap for Atacama roll bag, lockable

9 Luggage roll, 50 l

This waterproof luggage roll with large opening can be used universally and offers a volume of 50 litres.

- Luggage roll, 50 l

* Original BMW Motorrad accessories are available from your BMW Motorrad dealer. For information on speed and load limitations, please refer to the instruction booklet.

(o) = "or" this item can be used as an alternative

ORIGINAL BMW MOTORRAD ACCESSORIES.

STORAGE.*

1 Folding backpack, 12 l

The lightweight folding backpack is a helpful companion when spontaneous storage space is required on the move. It can be stowed under the seat.

- Folding backpack, 12 l

2 Pack bag set

The practical pack bag set keeps your luggage tidy. It includes five bags in three sizes and a laundry bag.

- Pack bag set

DESIGN.

3 LED indicators

A shining example: The beautifully designed LED indicators with white turn indicator glass convince with their slim design and modern lighting technology. They respond much faster than incandescent lamps and are virtually wear-free. This results in a clear safety advantage in road traffic.

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

- LED indicators (front and rear)

Decorative sticker sets

the decorative sticker sets are perfectly tailored to the motorcycle and create an attractive, unique look.

The installation manual is available for download from the BMW Motorrad website.

- 4 • Decorative G310 GS sticker set
- 5 • Decorative Wild sticker set

ERGONOMICS AND COMFORT.*

Hand lever, adjustable

The ergonomically optimised handbrake lever can be adjusted in four steps making it easy to attain the preferred grip width. The two-tone look with black powder coating and a chrome-plated adjustment wheel emphasises the individuality of the motorcycle.

Scheduled availability from second quarter of 2020. To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

- 6 • Clutch lever, adjustable
- • Handbrake lever, adjustable

- Sport windshield, black

The black-coloured sport windshield noticeably relieves the wind pressure on the upper body and gives the machine an extra touch of sportiness. This makes it possible to cover stretches even at high speed in a more relaxed manner.

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

- Sport windshield, black

High and low seats

15 mm higher than the standard version, this high seat provides noticeably more seating comfort for tall riders. 15 mm lower than the standard version, this low seat makes climbing on off easier and keeps the ground within easy reach.

- 7 • High seat (seat height: 850 mm; step length: 1,900 mm)
- 8 • Low seat (seat height: 820 mm; inner leg curve: 1,840 mm)

9 Heated grips and switches

Warm hands despite lower temperatures: This is ensured by the electric heating grips with three-stage control. This increases comfort and brings more safety, because with warm hands and more feeling in the fingers the vehicle can simply be controlled better. The heated grips are operated via a combination switch on the right handlebar fitting.

Includes the adapter cable for the bracket for BMW Motorrad navigation devices. To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.

- Heated grips and switches

* Original BMW Motorrad accessories are available from your BMW Motorrad dealer.

ORIGINAL BMW MOTORRAD ACCESSORIES.

NAVIGATION AND COMMUNICATION.*

1 BMW Motorrad Navigator VI

The multifunctional BMW Motorrad Navigator VI makes route planning child's play. The system with 16 GB flash memory and a five-inch touch screen always shows the right way, and the waterproof display is easy to read even in direct sunlight. The high-resolution screen provides all the essential information and ensures that you can see the big picture required in every situation. Numerous additional functions make planning and touring an exciting experience. Plan your routes can be created according to your personal preferences and enjoy driving on winding and quiet side roads. The "round trip" option is a good choice on unfamiliar terrain. In the end it will reliably lead back to the starting point. The Bluetooth connection to the BMW Motorrad communication system and the optional Smartphone Link app enable multimedia on the go: navigation announcements, telephone calls and music streaming as well as the retrieval of weather forecasts or traffic jam information are no problem. Operation is via the stable Mount Cradle; the four buttons can also be accurately controlled while wearing gloves. Choose the pre-installed map data, and you will always be up to date thanks to lifelong, free map updates.

Only in combination with bracket for BMW Motorrad navigation systems.

- BMW Motorrad Navigator VI
- (+) 4-button cradle mount

Bracket for BMW Motorrad navigation systems

The functional bracket for the navigation systems and the smartphone cradle from BMW Motorrad is securely attached to the handlebar clamp. This ensures that it can be positioned in the rider's direct field of vision. The aluminium bracket has a protective black dip-coating.

To be fitted and/or enabled in a specialist workshop, and ideally at your BMW Motorrad dealership.

The adapter cable is only required if no heated grips are fitted.

- Bracket for BMW Motorrad navigation devices
- (+) Bracket for navigation devices adapter cable
- (+) Mounted parts

- Car kit for BMW Motorrad Navigator VI

If you are leaving your motorcycle at home, you can use the BMW Motorrad Navigator VI in your car in just a few easy steps thanks to the Car kit.

- Car kit for BMW Motorrad Navigator VI

NAVIGATION AND COMMUNICATION.*

2 BMW Motorrad smartphone cradle

BMW Motorrad's robust smartphone cradle provides a safe and protected place for your smartphone. This means that useful functions such as navigation information and online information can also be used on the move. Thanks to the handy charging function, your smartphone is also always ready for action on extended bike tours.

Only in combination with bracket for BMW Motorrad navigation systems.

- BMW Motorrad smartphone cradle

3 BMW Motorrad dual USB charger

The BMW Motorrad dual USB charger can be used to charge two mobile devices conveniently via the motorcycle's 12 V socket while riding. Thanks to the automatic detection of charging technology the device automatically delivers the maximum possible charge current, thus ensuring the fastest possible charging.

Only in conjunction with a socket (see page 15).

- BMW Motorrad dual USB charger with 60 cm cable
- BMW Motorrad dual USB charger with 120 cm cable

- USB ports

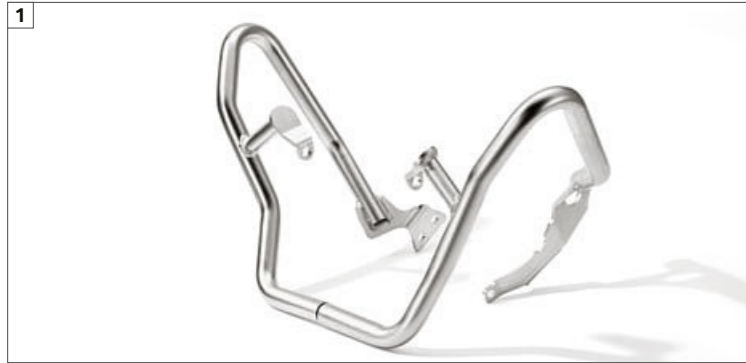

Only in conjunction with the dual USB charger; charging function only, no multimedia function.

- BMW adapter cable for Apple iPhone/iPod
- BMW adapter cable for micro USB

* Original BMW Motorrad accessories are available from your BMW Motorrad dealer.

For more detailed information, contact your BMW Motorrad dealership or go online at bmw-motorrad.ca.

ORIGINAL BMW MOTORRAD ACCESSORIES.

SAFETY.*

1 Engine protection bars

The stainless steel engine protection bars protect the bike without compromising the lean angle.

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

- Engine protection bar

2 Aluminium engine guard

The robust and lightweight aluminium engine guard effectively protects the lower area of the motorcycle against stone chips and damage, for example when bottoming out.

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

- Aluminium bash plate

- Splash protection cover

The rear-wheel cover with splash protection protects the rear of the vehicle from dirt both on wet roads and when off-roading.

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

- Mudguard cover
- (+) Mounted parts

3 Hand protectors

The hand protector, made of impact-resistant plastic, protects the hands against wind and weather and also from branches and stone chips when riding off-road.

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

- Hand protectors

4 Brake disc lock with anti-theft alarm system

The brake disc lock with anti-theft alarm is the ideal theft deterrent when you're out with your bike.

- Brake disc lock with anti-theft alarm system

- First-aid kit

The extensive large first-aid kit from BMW Motorrad complies with the DIN standard for first-aid cases and should not be missing from any motorcycle. The compact small first-aid kit from BMW Motorrad fits into any motorcycle and includes basic equipment for treating minor injuries.

- First-aid kit, large
- First-aid kit, small

MAINTENANCE AND TECHNOLOGY.*

5 Power socket

Electronic devices can be connected to the vehicle's electrical system via an additional 12 V socket.

To be fitted and/or enabled in a specialist workshop, ideally at your BMW Motorrad dealership.

- Power socket

6 Multifunctional tool

The BMW Motorrad multifunctional tool has everything under control – exactly 40 useful tools for on the go and at home. From the locking blade, screwdriver and pliers to the reversible ratchet with bit extension and nine screwdriver bits.

- Multifunctional tool

7 Compact foot pump

Whether motorcycle, car, bicycle, football or air mattress – the BMW compact foot pump fits all valves and pumps extremely accurately thanks to the digital pressure gauge.

- Compact foot pump

8 Tire pressure travel set

The travel set for tire pressure monitoring includes a small digital measuring device and CO₂ cartridges for filling.

- Tire pressure monitoring travel kit

9 BMW Motorrad battery charger Plus

In addition to charging conventional lead-acid batteries and maintenance-free rechargeable batteries (gel/AGM), the high-quality BMW Motorrad battery charger Plus also allows for fully automatic, microprocessor-controlled charging and maintenance of all Original BMW Motorrad lithium-ion starter batteries with 12 V and a capacity of 6 to 60 Ah.

Only in conjunction with a socket.

- BMW Motorrad battery charger Plus

RIDER EQUIPMENT.

1 GS Dry Suit

Take to the streets with the enduro look. This waterproof biking suit is the perfect companion for any tour, offering optimum weather protection for every adventure. In the heat of the summer, the unique ventilation system comes into its own, thanks to the robust CORDURA 500 material with highly breathable BMW climate membrane.

2 GS Dry gloves

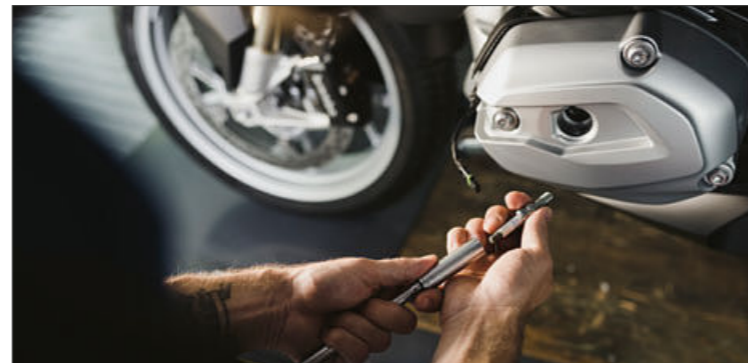

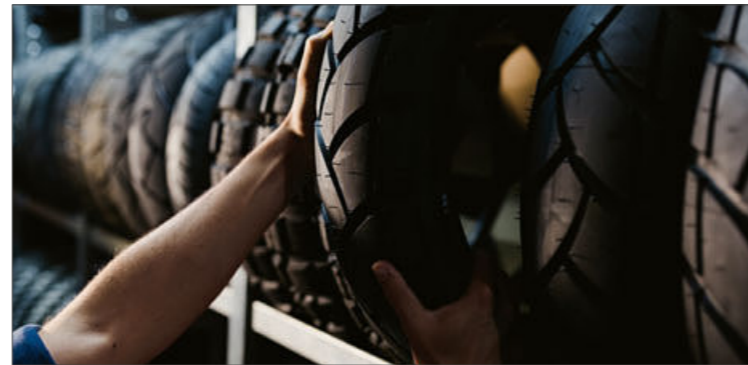

Waterproof, breathable and suitable for touring. That's what any biker would expect from a leather/textile Enduro glove with GORE-TEX® X-TRAFIT membrane. This one's made from robust double-thick leather and abrasion-resistant SuperFabric, and features a soft knuckle protector.

3 Venture Grip boot

A year-round boot that combines all the best features for touring and Enduro riding has a water-tight alibi. This all-rounder made of full-grain cowhide leather comes with non-slip soles and a host of carefully designed safety features.

Find out about these items and other rider equipment at your BMW Motorrad dealer or at bmw-motorrad.ca

SERVICES FROM BMW MOTORRAD.

BMW Motorrad Service

The extensive service network of BMW Motorrad ensures your bike gets the care it deserves. There are over 22 BMW service centres in Canada alone, and if you're off on your travels, you'll find them in over 100 countries around the world. Their outstanding quality of service is based on reliability and speed whenever spare parts are needed, competent advice for riders, as well as excellent workshop performance. This has earned them exceptional ratings from many leading bike magazines.

BMW Motorrad online

To find out more about BMW Motorrad and our product range, visit our website at bmw-motorrad.ca

BMW Motorrad Roadside Assistance

We pride ourselves on the quality of aftersales care we provide. Like BMW Motorrad roadside assistance: round-the-clock breakdown assistance. Call 1-800-267-8269 If you have a breakdown in Canada or the USA, our experts will do everything they can to get you back on the road. If they can't fix the problem immediately, they'll get you to your destination by other means.

Ask your BMW Motorrad dealer for more information or visit bmw-motorrad.ca

BMW Financial Services

Freedom on two wheels. BMW Financial Services helps you to get the most out of your riding experience. Financial services are very similar to configuring your own personal bike: an individual solution is always best. And that is particularly true when it comes to your mobility.

Finance

BMW Financial Services offers convenient finance solutions that are tailored to your individual needs.

BMW Basic Finance

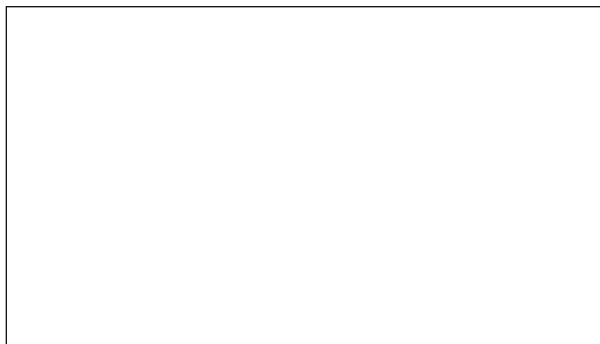

Choose a term (12 to 84 months) with a downpayment and instalments to suit your budget. Get your personal quote from your BMW Motorrad dealer.
