Electrifying. Immersive. Yours.

Designed to inspire, the EV6 blends bold aerodynamics with a striking presence, while its immersive interior surrounds you with innovation, comfort, and control. From the signature LED taillights to the panoramic curved display, every detail is crafted to turn motion into emotion. Because the future isn't just about where you go, but how you feel getting there.

Driver and Passenger Premium Relaxation Seats
Sit back, stretch out, and embrace the future of comfort.

LED Projection Lamp
Sharper vision. Smarter illumination.

Dual Pane Panoramic Sunroof
Limitless skies that power pure inspiration.

Smart Power Tailgate
Smart, seamless, and made for you.

Ventilated Front Seat
Experience refined comfort with ventilated seating.

Precision, power, and pure electric excitement.

The thrill of acceleration, the freedom of long-range travel, and the ease of ultra-fast charging. The EV6 redefines electric performance with superior control, being an electric machine that is built to lead the way.

Instant Adrenaline
From zero to thrill (0-100 Kmph) in just 5.3 seconds.

Ultra-fast Charging
The road never waits. Neither should you. 10% to 80% charge in 18 mins*.

Vehicle-to-Load & Vehicle-to-Vehicle (V2L & V2V)
Energy on demand, from your EV6 to your world.

All Wheel Drive
Maximum traction for effortless performance.

Go the Distance
Go farther. Charge less. Explore more with 663 km range**.

*With 350 kW charger. **Range is ARAI certified MIDC full.

Beyond electric. Beyond connected.

Your EV6, your way. Kia Connect 2.0 brings seamless connectivity with smart navigation, real-time vehicle insights, and remote controls at your fingertips. Whether unlocking your car, adjusting settings, or planning your next route, technology moves with you.

Augmented Reality Head-up Display

Essential driving data displayed where you need it most.

The Meridian Premium Sound System with 14 Speaker

Pure Meridian sound. Immersive every time.

Dual 31.24cm (12.3 inch) Panoramic Curved Display

The integrated curved display, with maximum visibility and intuitiveness.

Digital Key 2.0

Seamless access, remote control, and smart sharing at your fingertips.

Over-the-Air (OTA) Software Updates

From new features to optimized performance, OTA keeps your EV6 always up to date.

Innovation that sees, reacts, and protects.

Designed for movement, engineered for safety. ADAS 2.0 ensures that every drive is backed by intelligent safety features, from lane departure warnings to smart collision avoidance, because true innovation doesn't just move, it protects.

Blind-Spot Detection (BSD)

Reduces the risk of collision with vehicles in the adjacent lane or coming from behind.

Rear Cross-Traffic Collision- Avoidance Assist (RCTA)

Warns in case a vehicle or pedestrian is coming while reversing.

Forward Collision Avoidance Assist

Alerts you and brakes when a vehicle or pedestrian appears suddenly.

Safe Exit Assist

Keeps doors locked when an unseen risk approaches.

Forward/Side/Rear Parking Collision-Avoidance Assist

Shields you from unexpected obstacles while parking.
