Make **heads turn**

When you drive your Taigun, everyone you drive past wish they were in it too. Thanks to its bold design. The 3D chrome step grille and muscular, elevated bonnet highlight the striking look of the Taigun from the front. Whereas, the roof rails and sharp shoulder lines accentuate the SUV stance. The first-in-segment Infinity LED tail lamps instantly makes the Taigun stand apart. The R17 Manila Alloy Wheels get heads turning, effortlessly.

Vibrant colours

*Available in Topline Variant

For an impromptu drive in the city or an impromptu drive to another city, the Taigun will make sure you're comfortable and ready for everything. Taigun's LED ambient lighting sets the right mood for your trip. The Electric sunroof lets you play peek-a-boo with the sun, wherever you're going. The eye-catching dual tone premium interiors are designed to start conversations. The carbon finish complements the sporty look, while the folding rear backseat with 60:40 split along with massive 385L boot space makes sure you've packed more than enough for your next trip.

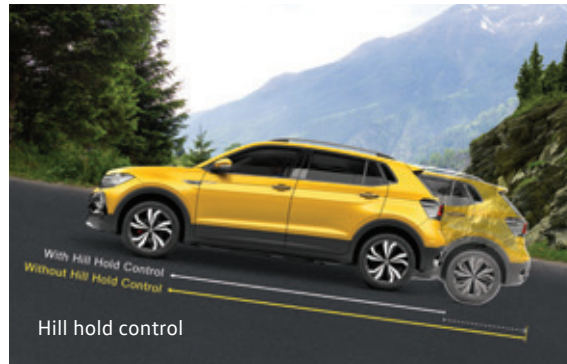

Drive **care-free**

When you're in a Taigun, you worry less about your safety and more about which song to play next. Awarded the prestigious 5-star Global NCAP safety rating for adult and child occupants, the Taigun comes anointed with 40+ safety features such as up to 6 airbags for driver and passengers, 3-point seatbelts for all occupants, hill hold control, traction control, park assist with rear camera and electronic stability control (ECS) that detects critical situations and prevents skidding, bringing peace of mind to every drive.
