COMFORT**

Splendor+

PROVEN ENGINE PERFORMANCE

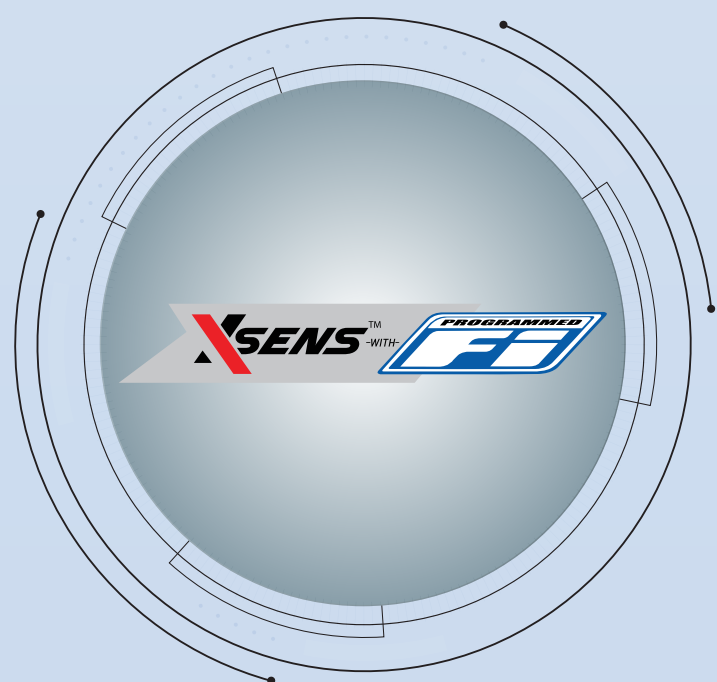

Dependable Engine

Built on decades of trust, it delivers reliable performance & mileage, ideal for everyday riding conditions.

i3S Technology

The smart system that saves fuel by switching off at traffic stops — effortlessly efficient.

Intelligent Sensor

xSens programmed FI ensures smoother power delivery for every ride, every time.

Splendor+

TIMELESS DESIGN & COMFORT

Tank Design
with trendy appeal.

Classic Halogen
headlight design.

Comfortable Seating
for rider and pillion with
ergonomic posture.

Splendor+

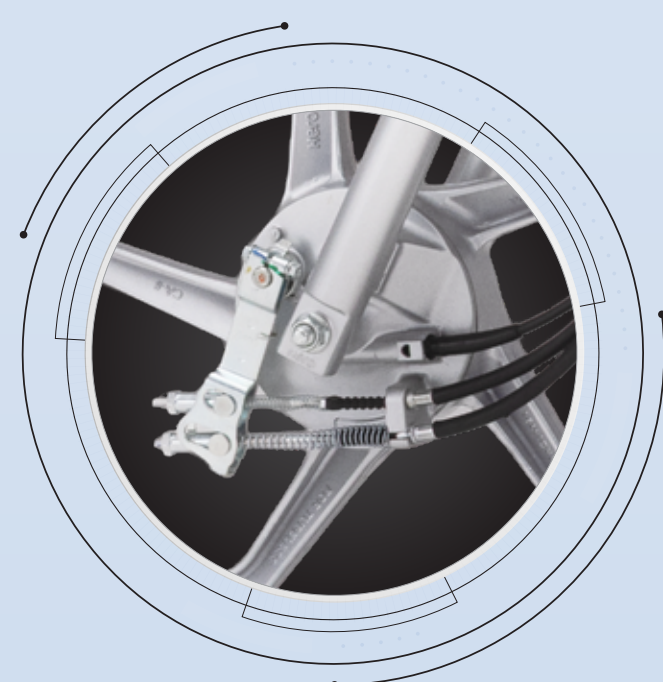

ENHANCED SAFETY & HANDLING

Sturdy Alloy Wheels
paired with tubeless tires
for better grip.

Integrated Braking System
The integrated braking system
technology ensures more skillful
braking for a safer ride.

5-Step Adjustable Suspension
This feature helps adjust the
suspension to suit the load for
a comfortable ride.

Splendor+

EVERYDAY CONVENIENCE

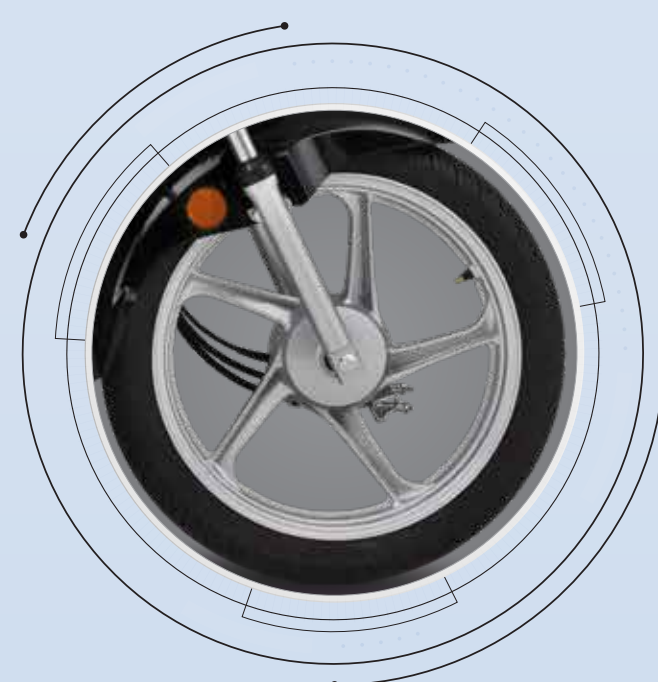

Comfort in Every Journey

A 733 mm long seat offers superior comfort, whether it's your daily ride or a weekend journey.

Tubeless Tyres

Tubeless tyres help you ride on safely, even after a puncture.

Side Stand Indicator

The side stand indicator adds that extra layer of safety before every ride.

Splendor+

USER-FRIENDLY FEATURES

Easy-to-Read Instrument Cluster

The analog meter offers clear and precise speed and fuel readings, always keeping you informed.

Electric Self Start
With electric self-start and kick-start backup, you're always ready to go.
